ABOUT FIRST COLONY LL'S DREAM LEAGUE

The Dream League is a division of First Colony Little League for special needs children ages 5 to 18. It was established in the Fall of 2006 and launched in the Spring of 2007. The FCLL Board of Directors along with several First Colony parents, FBISD and Arc of Ft. Bend initiated this League to allow boys and girls with physical and/or mental disabilities to enjoy the game of baseball.

The Dream League falls under the auspices of the Little League Charter for Sugar Land's First Colony Little League

and is officially part of Little League International's Challenger Division. FCLL has been a premiere Little League baseball program in the United States for over 25 years and has served the community and over 11,000 players in that time.

HELP MAKE DREAMS COME TRUE!

WHAT TO EXPECT

An important part of the Dream League are the volunteer Managers, Coaches, Umpires, Team Parents and "Angels in the Outfield" who help organize the teams and conduct the games on the field. A Team Parent is assigned to each team to help with communication, scheduling, pictures and volunteer management within their respective team's families.

Our "Angels in the Outfield" are middle and high school boys and girls who have volunteered to assist the teams. Their job is to help the special needs kids at bat and on the field and become a "buddy or angel" to them.

Score is not kept and each player gets a chance to bat and score each inning. Batters use batting tees or receive pitches from coaches. The Dream League players wear the same uniforms, shoulder patches and safety equipment as all other Little League players.
